Dods Group

We're unrivalled intelligence, media, events and training specialists.

Our clients outsource to us to provide the information that matters to them, when they need it.

Political and public sector leaders depend on us for high-calibre, insightful content.

Our media titles and events, backed up by established connections with influential individuals, connect you with decision makers in politics, the public sector and healthcare.

Our training, research and monitoring services equip you with the knowledge and skills to build lasting relationships with these key contacts.

We've provided trusted political data since 1832 and our integrated solutions cover people and institutions across the globe. Neutrality and transparency underpin everything we do.
