Civil Service College

[Civil Service College](#) [1] provides executive education to civil service and public sector leaders. Several thousand leaders have attended our executive programmes from accountability and governance to leadership and management. Conceptual, experimental and reflective learning underpin our programmes which can be designed for any in-house training.

Our programmes are designed by civil servants, for the civil service meeting the needs of government. **DISCOVER** new and innovative applications and concepts, **EXPLORE** your potential and **LEARN** from professional practitioners.

Our values guide our strategy and our day-to-day actions:

- We provide excellent and professional training provided by the most knowledgeable people in their field
- We are resilient, committed to delivering the best service to our clients whatever the obstacles
- We tailor our courses based on really listening to the clients' individual needs
- We have a fantastic team who work together to provide excellent customer experience
